

ASLE UKI Conference

Ecological Encounters

Agency, Identity, Interactions

THURSDAY 29 – SATURDAY 31 AUGUST 2013

Hosted by the School of English and Languages, the 8th biennial conference of the Association for the Study of Literature and Environment (UK and Ireland) is about 'encounter'.

The conference will explore not only the inter-connectedness of human and nonhuman beings, but our co-existence as humans with the many discursive and material units that make up our so-called reality. These include the 'facts' of 'science', the 'inspiration' of 'poetry', and the 'beauty' of 'nature'.

Conference organisers:

Dr Adeline Johns-Putra, Dr Greg Tate and Louise Squire
(School of English and Languages, University of Surrey)

Conference speakers:

Mike Hulme (University of East Anglia)
Sheila Jasanoff (Harvard University)
Catriona Sandilands (York University, Canada)
